## SAVE THE PLANET WITH US

At Modern Forms we care about the environment, and we constantly strive to offer new, eco-friendly solutions.

Our #beECO trophies and medals are made with the principle of environmental protection.

We use wood, cardboard, glass, steel, and recycled board.

Inspiration.

We draw inspiration from the surrounding nature that needs to be protected.

Discover our collection of trophies and medals called #beECO.

They are perfect for events, galas, and sports competitions with an ecological theme.

### OUR KEY FEATURES:

- awards made out of ecological materials,
- graphics tailored to the nature of the event,
- modern design and unlimited choice of shapes,
- textured and multi-layered print in a full-color palette.

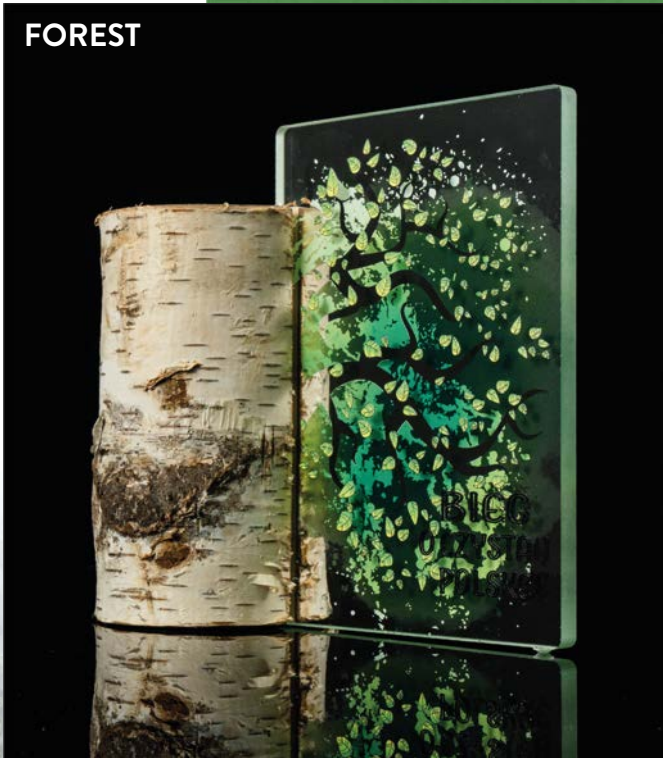

### WHAT YOU GET WHEN ORDERING AWARDS DIRECTLY FROM THE MANUFACTURER:

- punctuality and reliability,
- comprehensive service,
- flexible offer.

The trophies **ORGANICA**, **FOREST**, **BALANCE**, **EVOLVE**, **ECOLOVE** and **BOTANIC** are made with care for the natural environment. They are manufactured with the use of natural and biodegradable products. Order your trophies in the spirit of **ECO** and help to protect our mother nature.

## FOREST

“ Live in harmony  
with nature ”
